Y of the North Mission

The Y’s mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

About YMCA Overnight Camps

YMCA Overnight Camps are wonderful places for your child to experience fun, outdoor adventures in the summer! New and returning campers thrive during a session packed full of exciting, structured camp activities. Campers live in small, age-appropriate communities where they build self-esteem and learn new skills. Our experiences are built on the Y’s Core Values of Caring, Honesty, Responsibility, Respect, and Equity. Our goal is to give all kids the opportunity to discover who they are and what they can achieve.

Diversity and Inclusion

It is the YMCA of the North’s vision to serve relentlessly with our community until all can thrive in each stage of life. At Camp Ihduhapi we make sure that ‘all’ really does mean ALL. We welcome campers of all backgrounds, **races, religions, gender identities, and gender expressions**; and we strive to create an inclusive and equitable environment for all of our campers and staff. We honor and respect every individual’s preferred pronouns and ask that our campers do the same. We cherish diversity and want to make sure **ALL** feel authentically at-home at Camp Ihduhapi.

Please contact us if you have perspective on your camper that may help us support your camper better while they are at camp (e.g. *what tools will set your neuro-divergent camper up for success, what your transgender camper needs to feel at home, etc.*). We are committed to working with campers and their families to deliver a supportive and inclusive experience this summer!

Registration and Forms

Registration

Registration can be completed online at campihduhapi.org, by calling the YMCA Customer Service Center at 612-230-9622, or by downloading a registration form from campihduhapi.org.

Camp will send you a confirmation within three weeks of receiving your registration and deposit.

The balance for your session is due May 1, 2025 unless you have a pre-approved payment plan established with the Customer Service Center.

Changes and Cancellations

No refunds are available for cancellations after the payment-in-full date.

Camp session change requests received one month or more prior to the session start date will be made, pending availability, and assessed a \$25 change fee.

Campers who do not show up to a session will not receive a refund. Program deposits are non-refundable and non-transferrable.

No tuition adjustment will be made for late arrival, early departure or dismissal from camp. No adjustment to registration cost will be made for campers who are tardy, absent from camper days or are restricted due to disciplinary reasons, or inability to manage pre-existing conditions, current illness/injury* or dismissal.

*If your camper is experiencing a physical/mental illness or injury prior to the session that prevents them from participating, a medical provider will need to provide proof of illness or injury to consider a partial refund. If you pay in full, refunds will only be eligible until May 15.

*Y Adventure Programs cannot refund payments when sessions are cut short or canceled due to circumstances beyond our control. These may include, but are not limited to, wilderness area closures, forest fires, flooding, or other climate and environmental hazards that would prevent us from providing a safe and meaningful experience for all participants.

Forms

HEALTH EXAM FORM: A completed *Health Exam Form* is required each year to attend camp. Forms are available at campihduhapi.org, under the 'Forms and Publications' tab or in your CampDoc account. A new physical exam is required each year before attending camp.

Please upload completed *Health Exam Form* to your CampDoc account.

CAMP STORE: If you would like your camper to shop in the camp store, please add a credit to your account prior to camp. These are purchased in your online Y account.

This credit can be used toward camp store merchandise during your child's stay at Overnight Camp. Any remaining balance at the end of the session can be used toward future YMCA camps or programs.

Please call the summer office if you will be arriving late.

If there is a change in pick up plans, please contact camp with that information.

Campers will be provided a hearty snack right before checkout. The last full meal provided will be lunch at 12:00pm.

Family Program

You are invited to join us for an end-of-week celebration right after checkout from 5:15pm—5:45pm. This program will highlight the special accomplishments, activities and experiences that are unique to each session. We hope you'll stick around!

Life at Camp

Cabins. Campers spend their session with two counselors and a group of 8-10 other campers in a cabin group. Our counselors are well trained and love their jobs. Campers are assigned to their cabin based on age and gender.

Friends. Campers will have an opportunity to bunk with friends if they are within two years of age and the request is made in advance. If the request was not made on the registration form, you may call the YMCA customer service center prior to your session. Children make many new friends at camp in addition to enjoying their old ones. We limit the number of friends coming together to four per cabin to support strong group dynamics.

Pro Parent Tip

Don't be alarmed if you get a call from Ihduhapi while your camper is at Camp. Camp likes to get parent input on even minor health, homesickness, and behavioral issues. It's a low bar to call home.

Communication. Please send mail directly to Camp Ihduhapi. Feel free to send mail to camp prior to your camper's arrival.

Your Camper's Name
 YMCA Camp Ihduhapi
 3425 Ihduhapi Road
 Loretto, MN, 55357

Phoning Home. Campers may **not** have cell phones at camp. Except for emergency situations, phone and e-mail by campers are off limits as it distracts from the camp experience. If you have questions, a Camp Ihduhapi staff member will be available to speak with you over the phone.

Stay in the Loop! View photos of your camper while they're at camp! We post photos on our SmugMug site often. Photos and other merchandise are also available for purchase on SmugMug.

Lanyards & Pins. Every camper who attends camp will receive the following free of charge:

- A YMCA Camp Lanyard that remains with your child through the years. Returning campers bring lanyards back to camp year after year.
- When a camper attends four days of Polar Bear Swim, Road Runners, or Yoga, they receive the appropriate pin for their activity.
- A pin that represents the year they attended camp.

Food. Ihduhapi campers eat very well; our kitchen takes great pride in providing a tasty, well-balanced diet. If your camper has dietary restrictions or allergies please note them in their Camp Doc records.

Health and Safety. Ihduhapi campers are well looked after. Our first aid, CPR, and lifesaving certified counselors are supported by our health professional (an RN).

We will treat bumps, bruises, and scrapes. In the case of illness, parents or emergency contacts are called to make arrangements for treatment or pick-up. Camp Ihduhapi uses the urgent care facilities at the West Health in Plymouth, or Maple Grove Hospital.

Medications. Medication will be turned into our Camp Nurse upon arrival. Medication must be in the original container or marked clearly with dosage, frequency and camper's name. This includes over-the-counter drugs.

Life at Camp

Camp Activities. Campers will experience a variety of activities during their camp session. Our camp staff aim to encourage campers' creativity, skill development, and understanding of the world around them. Often times, during these creative learning experiences in a camp setting, campers are exposed to the natural elements of camp. They will experience dirt, mud, bugs, plants, and various types of weather—but camp will go on. Our staff are trained to recognize and avoid unsafe situations. However, if your child has a specific reaction (allergies, fears, etc.) to any camp elements; be sure to indicate this in their health information.

About Achievement Options. Campers are pre-registered for either a Specialty Camp or for Traditional Camp. After check-in on opening day each camper will fill out an Achievement preference form. The number of campers in each Achievement is limited by the equipment in each area and the staff to facilitate the activity. Traditional campers will be placed into four Achievements that they will attend each day. We try our best to put campers into their top four Achievements; sometimes we may have to use their fifth or sixth choice. Specialty campers will be placed into two Achievements in addition to their specialty activity. **Choices include swimming, boating, archery, yipahudhi (camp newspaper), arts and crafts, performing arts, sports, and nature.**

Theme Day. Monday is typically Theme Day during each six-day session with a modified schedule, new games and exciting evening programs. We will inform you of your camper's theme day one week prior to their session. Feel free to send costumes or theme related props with your camper!

Overnights and Cookouts. On Tuesday's campers will typically participate in cookout or overnight with their cabin group. Older campers (roughly 11+) will sleep in tents at one of our beautiful campsites and prepare dinner, dessert and breakfast over the fire. Younger campers (roughly 10 and younger) will also be preparing dinner, dessert and breakfast in the outdoors! However, they will spend the night in their cabins. This night is a great bonding opportunity for cabin groups. No need to send your camper with any special camping equipment—we have that covered!

Camp Store. Campers will visit the Camp Store **once** at the start of the week. There they will get to see what items are available. They will have the opportunity to order their items Mon-Thu. Money may be added to camper store accounts online. We do not allow campers to spend over the amount decided by their parent/guardian. Depending on your child's needs and interests, \$25-\$50 per week is suggested.

Items/Prices Examples:

Water bottle: \$20

T-Shirt: \$20

Sweatshirt: \$40

Stuffed Animal: \$12

Hat: \$20

Waterfront. Each camper's swimming ability will be tested on opening day. Personal Flotation Devices and shoes are worn by campers and staff at all times during boating activities.

International Staff and Campers. Ihduhapi has a long history with international staff and campers. They add a deep level or richness to the camp experience.

Summer Samplers. During summer sampler sessions, camp will manage the achievement schedule to provide a variety of camp activities; this is a great way for first time campers to get the feel of overnight camp. Sampler campers will not take part in the cabin overnight or Theme Day activities.

Homesickness. For many campers, a week away at Ihduhapi will be the longest time they've ever been away from home. The challenge can be significant for both kids and their parents. Ihduhapi counselors and staff are very experienced in coaching campers through their experience and we believe that overcoming the challenge of home-sickness can be a hugely positive experience.

Risks at Camp

Camp Ihduhapi is a member of the American Camp Association, meaning we are rigorously held to account on over 300 pages of standards regarding health and wellness, transportation safety, aquatic safety, and more. These standards guide us to use the best practices regarding ticks and other insects, sun exposure, hygiene, bullying prevention, staff medical training, and many more.

Nonetheless, like all other experiences in life camp is not risk-free. We simply cannot guarantee that no harm will befall a camper. Please refer to our waiver at campihduhapi.org/forms_publications/ if you would like to review our indemnification policies.

Camper Behavior

Caring, Equity, Honesty, Respect, Responsibility and Equity are the YMCA's core values and the foundation

- We expect campers to take responsibility for their actions.
- We expect campers to respect themselves, one another, the environment, and camp equipment.
- We expect campers to be honest with one another and their counselors.
- We expect campers to care for themselves and one another.

Ihduhapi staff do a great job at coaching campers who behave inappropriately. If we find that we are unable to redirect your camper's behavior we may be in contact with you.

We reserve the right to send a camper home, without refund, if consistent misbehavior affects the experience of other campers.

Code of Community

Overnight Camp's mission is to develop young people's respect for self, others, and the environment by providing opportunities to experience nature and community building in a safe and positive space.

We expect that all members of the camp community will behave maturely, responsibly, inclusively, and respect the rights and dignity of others. It is imperative that all participants understand these expectations prior to coming to camp. This agreement is included and signed in your camp registration.

All actions at camp should reflect the YMCA Core Values: Caring, Honesty, Equity, Respect, and Responsibility.

In order to have a positive experience, you agree to not engage in the following behavior while at camp:

- Use of abusive or vulgar language, name-calling or shouting at others in anger
- Physical contact with another person in an angry or threatening way
- Sexual innuendo or sexual behavior that intimidates or offends others
- Exclusivity towards others
- Harassment or intimidation by words, gestures, body language or any other menacing behavior
- Theft or behavior which results in destruction of property or the natural environment
- Carrying, concealing or using devices or objects as weapons
- Using or possessing illegal chemicals, alcohol or tobacco including nicotine gum, vapes and e-cigarettes on - YMCA property and throughout the experience
- Engaging in intentionally risky behavior that endangers the wellbeing of self or others.

Camp reserves the right to dismiss any camper who does not follow respectful behavior expectations as outlined above. In the event that a camper is dismissed, there will be no refund of session fees and the parent or guardian of the camper will be held responsible for the camper's early transportation home from camp

YMCA Overnight Camp Behavior/Mental Health Statement

It is the policy of the Y of the North Overnight Camp Team to support, to the best of our ability, every camper's **social and emotional wellbeing** so they may have a successful session at camp. We aspire to create a camp community that is safe, inclusive and welcoming, and exemplifies the YMCA's core values of **Caring, Honesty, Equity, Respect and Responsibility**.

We recognize that campers come to us with a range of backgrounds, home experiences and history, and that this may be reflected in behavioral situations, as well as social and emotional health while at camp. We will work through situations that arise within our level of training, and connect with guardians as is appropriate, depending on the scope of the situation and the individual camper's needs.

Although our staff are trained to support campers through general social and emotional struggles, and minimize the occurrence of homesickness, bullying and dysregulating behaviors, there is still a chance that situations of this nature could arise, where additional support would be needed.

Our experience has shown that being introduced to new experiences or ones that are different than what kids may be used to, can lead to a change in your camper's behaviors or to their responses to their environment. Guardians of our campers should be aware of the *possibility* that certain behaviors or situations may present themselves while at camp (*away from home*), including—homesickness, behavioral struggles and dysregulation, isolation, bullying, anxiety, or depression. In more serious situations, we may become aware of suicidal ideation, self-harm, eating disorders, or other mental health struggles and harmful behaviors.

Our staff are trained in a range of pre-season sessions to develop skills and techniques in managing and understanding behavioral, emotional and mental health situations that could arise during camp. As our front-line staff, they are trained at an appropriate level to support our campers' individual needs, and bring in additional support (i.e. Youth Advocate, Camp Director, etc.) when a situation becomes harmful to the individual, the group, or when it cannot be resolved.

Although our Y team members demonstrate a great deal of expertise in youth development and exhibit exceptional compassion, we are not mental health professionals or social workers.

In cases that a behavioral or mental health situation creates a need for 1-1 support, excessively, we will create a plan with the guardian to find resolution.

Should a camper need support that goes beyond what we can safely provide, or should a situation escalate to a level where we can no longer safely find resolution for the camper, our Y Camps will contact the guardian and will require a dismissal for the individual from camp. The Guardian will be expected to work with us to determine an exit plan.

The above serves as an overview of how our camps help to ensure the success and safety of all our campers. If you have questions regarding further details of our procedures, or if you have concerns regarding your camper's needs, please contact the Camp Director or Program Director.

Packing: Traditional Camps

The following is a suggested list, these items are not required. You may modify it to your camper's needs and session type. Please do not send your child's best clothing, as camp activities are outside and rugged. Pack items and clothing that can get wet and dirty. **All items should be clearly labeled with your child's full name.** This will assist us with claiming lost and found. Camp Ihduhapi is not responsible for lost, stolen or damaged items.

Lost and Found

We display our lost and found as we accumulate it for campers to see and parents to peruse on pick-up day. If you return home and realize you have left something give us a call and we'll try to find it to tell you it's there. Unfortunately we can't send items home for individuals.

Please assist us with Lost & Found by labeling everything with your camper's full name. Valuables and meaningful items should be kept home for safe keeping. YMCA Camp Ihduhapi is not responsible for any lost, stolen, or damaged items.

We keep lost and found items for 2 weeks after each camp session. After 2 weeks, all items not claimed will be donated.

Packing: Specialty Camps and LDP

Leadership Development Trail Sessions

In general, what one would pack for Ihduhapi's Traditional Camps isn't too different from what you'll want if you'll be hitting the trail on your camp session. Here are a few notes and a few additional suggested items

- Boots
 - For canoeing—over the ankle boot or light hiking boot with a sole that will hold up when wet
- Rain gear—jacket and pants
- Sleeping bag
- Waterproof stuff sack. Extra heavy duty trash bags may be sufficient for a waterproof pack liner
- Cap with brim to shade the sun
- 2-4 pair wool socks, not cotton
- 1 pair long underwear, top and bottom
- Extra layers, preferably not cotton

Horse Camps

- Sturdy riding boots (must be closed-toe)
- Durable riding pants

Outdoor Challenge Camps

- Extra pair of closed-toed shoes for climbing

Pro Parent Tip

Don't feel the need to go buy lots of new things if you already have gear that will do. With very few exceptions, high-end gear doesn't improve your camp experience.
